

## Fangirls G.U.I.L.D. Financial Policies

### **I. Approval of plans and commitments before they are implemented**

The Board of Directors will set the annual budget, based on the Fangirls G.U.I.L.D. fiscal year (July 1 through December 30), to direct how funds are spent. Board approval is necessary in order to spend significant funds or make significant financial commitments to projects that have not already been incorporated into the approved budget.

### **II. Accurate, timely financial reports and information returns**

The Board Treasurer for Fangirls G.U.I.L.D. will provide accurate, timely financial reports and information returns. The Board of Directors will regularly review financial statements, including a balance sheet and comparison of actual financial activity to the approved budget. The Board Treasurer will maintain a calendar of report deadlines and will advise the Board of Directors to ensure that all financial reports and information returns have been filed as required.

### **III. Banking institutions and accounts**

In order to minimize risk and maximize benefit, Fangirls G.U.I.L.D. utilizes only federally insured local banking and savings institutions. The amount of deposit with any one institution may not in the usual course of business exceed the FDIC insured limit of \$100,000. The Board of Directors will review the banking relationship annually.

### **IV. Deposits**

All income intended for Fangirls G.U.I.L.D. will be properly received, deposited, recorded, reconciled, and kept under adequate security. Any cash received must be promptly and fully deposited.

### **V. Grants, gifts and pledges**

All grants and gifts will be properly received and recorded. Compliance with terms of any related restrictions will be monitored by staff and reported to the Board of Directors. Pledges are recorded at the time they are made. Thank you letters to donors are in compliance with IRS regulations.

### **VI. Donated goods and services**

Donated goods and services are recorded in the accounting records when they would have been purchased if they were not donated. Gifts are recorded at fair market value.

**VII. Fixed assets**

Expenditures for land, building and equipment are recorded at cost. Donated assets and capitalized donated leases are recorded at their estimated fair market values at the date of donation. Depreciation expenses are calculated using the straight-line method and the following estimated useful lives:

Buildings and improvements	10-35	years
Furniture and equipment	3-10	years
Vehicles	3-5 years	

Maintenance and repairs, which materially add to the value of the property or appreciably prolong its life, are recorded as an increase to the appropriate asset account. Fangirls G.U.I.L.D. capitalizes all fixed assets with a cost greater than or equal to \$1,000 and a useful life of at least three years, unless otherwise stipulated by a grant. When an asset is purchased through a grant, the grant’s capitalization rules apply. Fangirls G.U.I.L.D. will conduct a regular inventory of fixed assets and maintain a central list of fixes assets which includes date of purchase, registration numbers, warranty information, original cost, and estimated life.

**VIII. Line of credit**

Fangirls G.U.I.L.D. shall maintain an appropriate line of credit to ensure regular cash flow, the use of which may be approved by the Executive Director in the amount of up to \$500 annually per individual line of credit and shall be reported to the Board of Directors.

**IX. Petty cash**

A petty cash fund may be maintained by staff to facilitate efficient operations. Such petty cash funds will be disbursed only for proper purposes, will be properly recorded, and will be adequately safeguarded at all times.

**X. Credit card**

Fangirls G.U.I.L.D. may maintain credit card accounts to facilitate efficient operations. Credit cards will only be issued in the name of specific employees with specific credit limits as appropriate and will be adequately safeguarded at all times. All credit card transactions will be only for proper purposes and will be properly recorded

**XI. Procurement and purchasing**

Fangirls G.U.I.L.D. will always seek to maximize value and cost-effectiveness in all procurement and purchasing. Purchases exceeding \$1,000 shall require at least three competitive bids.

## **XII. Disbursements**

Funds will be disbursed only upon proper authorization of management and only for valid business purposes. All disbursements will be initiated only from properly authorized documentation and will be properly recorded. No check may be made out to Cash. The Board of Directors shall designate the Board Chair, the Board Treasurer, the Executive Director, and any other Board member or staff member deemed appropriate as authorized signers of checks on behalf of the Fangirls G.U.I.L.D. Any check for an amount over \$2,500 must carry two signatures unless otherwise specifically authorized in advance by the Board of Directors (such as for payroll or office rent). No check signer may sign a blank check.

## **XIV. Payroll**

All banking/security statements will be delivered unopened to a designated individual who is not otherwise involved in the preparation of checks, the depositing of funds, or is an authorized signer of checks. This designated individual shall review and initial each statement on a timely basis. An appropriately qualified finance staff person will reconcile each bank account monthly prior to the issuance of financial statements.
